PERSONAL PROFILE

Reliability, responsibility and optimism are my strengths. My attitude towards work is curious, patient and motivated. Likewise I have the ability to manage multiple tasks to tight time scales and social competence to lead a team. Being passionate about realisation of new ideas, I'm keen on learning and constantly extending my knowledge and skills. I have been working independently & in a team on various projects (both video and graphics), starting with an idea and developing it into a finished product, always willing to face new challenges. My skills reach from graphic design (digital and print) to animation, filming and post production. I have a good working knowledge of the Adobe Master Suite including InDesign, Photoshop, Illustrator, Premiere and After Effects as well as Final Cut Pro. Additionally I have advanced knowledge of digital filming.
